Acknowledgements

The Rutherglen Agricultural Society Inc. in conjunction with the Winemakers of Rutherglen, sincerely acknowledge the generosity of our major sponsor **Specialty Press - ALBURY**, and we thank their competent management & staff for their assistance with the printing requirements of the Rutherglen Wine Show.

We also very much appreciate contributions of the highly skilled Judging Panel, the enthusiastic Associate Judges and the hard working Wine Show Stewards all of whom have contributed to the success of another Rutherglen Wine Show.

Most important, we thank those persons who volunteer their time to carry out the multitude of tasks leading up to and following the Wine Show and the generous hosts that accommodate and entertain the Judges and Officials.

Finally, we thank all of the Wineries who have entered their wines for judging at the 122nd Annual Rutherglen Wine Show and the very positive response to the first Australian Fortified Wine Show and we invite them all back for next years show.

An excellent class. Chardonnay makers have really lifted their game in the past few years and the results show. Top wines had complexity and richness and good acid length. Gone are the days of over wooded too long chardonnays, complexity and focused fruit flavours are the new fixture.

8	Auldstone Cellars	NV	Auldstone Grand Muscat		
9	Chambers Rosewood Pty Ltd	NV	Grand Muscat		

Judges Comments: A strong class of wines that are of very good quality and a pleasure to judge. It is hoped this degree of fruit vibrancy and balance will be maintained. Again density, age and sugar will not win top awards.

16	Morris Wines	NV	Morris Liqueur Muscat (7)	S	51
17	Grant Burge Wines Pty Ltd	NV	Grant Burge Wines Age Unknown Muscat		

Judges Comments: Gold awards are wonderful examples of aged Muscat with freshness, vitality with the required Muscat aromatics with balanced sugar. Many silver and bronze award winners were good base wines that now lack freshness and fruit vitality. Massive age concentration and sugar density are not enough to obtain top awards.
